On Sunday May 3rd, the Chicago Shell Club will meet at the Hayden home in Barrington Shores. Festivities will begin at 1 p.m. and will include a potluck meal (bring something interesting), and a mini-auction of shells and shell-related items by Duane Thenhaus. Duane will be coming from Iowa again to run the auction and be with us for this last meeting of the 2008/09 season.

As always, this meeting will also include our annual election of officers. The Chairman of the Nominating Committee will be completing the assembly of a slate of officers in the days before the meeting. Anyone can run, so let him know if you are interested! Candidates also can be nominated from the floor if you decide at the last moment.

Everyone is welcome. If you plan to come and need directions, call (847) 382 9234. Lake Barrington Shores is a gated community.

Everybody Welcome!
